Subject: proposed examiner's amendment

> Hi Mr. Belinda Lee; I am USPTO examiner, Shimizu. I am proposing examiner's amendment regarding case number 10/604,325 (Docket Nol.:09466-US-PA) as follows: Rewrite the independent claim 1 by including the allowed dependent claim 3 and subsequently canceling claim 3. New claims 28-39 are allowed. If this proposed examiner's amendment is not acceptable to you, Office will be responding to the amendment filed on 7/21/2005 by preparing Final Office Action which includes rejection of claim 1 in view of Baskin and Miyashita. I would be appreciated if you could let me know of your decision or further suggestion by calling me at 571-272-3066 or e-mailing me (shimizu.matsuichiro@uspto.gov). Thank you vey much. matti.
